

The California Asphalt Pavement Association

FALL ASPHALT PAVEMENT CONFERENCE & EQUIPMENT EXPO

Wednesday & Thursday, October 25 & 26, 2017

(Reception Wednesday, October 25, 2017 from 5:30 p.m. to 8 p.m.)

Doubletree Hotel, 2001 Point West Way, Sacramento, CA

- 8:00 a.m.** **OPTIONAL Technical Training Class (separate registration required) “Asphalt Pavement 101”**
A four-hour class covering the basics of asphalt production, paving, inspection and acceptance, taught by former Caltrans and Asphalt Institute engineer Roger Smith. Refreshments and workbook included.

DAY 1 PROGRAM – WEDNESDAY, OCTOBER 25

- 11:30 a.m.** **Registration Desk Opens / Networking / Trade Show Floor & Equipment Displays Open**
Refreshments and snacks included.
- 1:00 p.m.** **Conference Welcome**
Mike Herlax, Quality Control Manager, Syar Industries & 2017 CalAPA Chairman
- 1:15 p.m.** **Keynote Speaker: Historic times for transportation investment in California**
The Honorable Sen. Jim Beall, Chairman, Senate Transportation & Housing Committee & SB1 author
The author of SB1, the Road Repair & Accountability Act of 2017, talks about how this landmark new law, expected to generate \$52 billion over 10 years, will impact transportation infrastructure in California.
- 2:00 p.m.** **Featured speaker: The Caltrans pavement improvement program**
Tony Tavares, Chief, Division of Maintenance, California Department of Transportation (Caltrans)
With most of SB1 revenues directed to improving roadways, the chief of the Caltrans Division of Maintenance discusses what to expect in the months and years ahead.
- 2:45 p.m.** **Technical Presentation: Environmental Research & Asphalt Pavements**
John Harvey, Ph.D., P.E., Director, University of California Pavement Research Center
A summary of research conducted by the University of California Pavement Research Center, Lawrence Berkeley National Laboratory and the University of Southern California on lifecycle impacts of cool pavement strategies in California.
- 3:15 p.m.** **BREAK** - Refreshments included. Trade Show booths and Outdoor Exhibit Area open.
- 3:45 p.m.** **Technical Presentation: Performance Testing & Specifications**
David Mensching, Ph.D., Asphalt Pavement Engineer, Federal Highway Administration (FHWA)
Discover how current prediction models compare to as-designed mixtures and as-constructed pavements. Learn about the current tests under consideration for performance specifications.
- 4:30 p.m.** **Technical Presentation: Long-life (Perpetual) Asphalt Pavements**
John Harvey, Ph.D., P.E., Director, University of California Pavement Research Center
With several successful projects completed on the state highway system, performance evaluation and an upcoming project on Interstate 5 in Northern California will be examined in depth.
- 5:00 p.m.** **DAY 1 PROGRAM CONCLUDES**
- 5:30 p.m. to 8 p.m.** **RECEPTION** – Beverages and hors d’oeuvres. Trade Show Floor Open / Equipment on display. Reception is free for all conference attendees, but advance reservations are required at registration.
