### YOUR INSTRUCTOR:

#### SKIP BROWN

A noted expert in the asphalt pavement industry, Brown was the longtime owner of Delta Construction and is now owner of Asphalt Consulting Services. He has personally supervised the placement of more than 4 million tons of asphalt on a variety of public and private projects in California.

The California Asphalt Pavement Association presents:

# **'QUALITY ASPHALT PAVING'** **AN INTENSE, HALF-DAY SEMINAR ON PROPER ASPHALT PAVEMENT PLACEMENT & COMPACTION**

**The problem: Your paving crews need a refresher course on the "do's and don'ts" of a modern paving operation, including recent developments in asphalt specifications, smoothness, compaction and best practices.**

**The solution: A quick and affordable training class providing the latest information in a fun and interactive setting guaranteed to aid in retention.**

You asked and we listened. You want a simple and affordable training opportunity for your paving crews and inspectors, but their time is tight and your training budget is even tighter. With that in mind, CalAPA is pleased to offer a half-day seminar focusing on the most important information paving workers and technicians should know. This class will be led by Skip Brown, a second-generation paving contractor and consultant. His broad experience and training skills bring a valuable perspective to this timely seminar. Fasten your seatbelts! We'll pack a lot of information into 4 hours, and there will be some valuable handouts to take away for future reference.

**Who should attend?** Contractor and public works paving crews, supervisors, inspectors and others who care about delivering a quality paving job.

**COST:** \$139 for CalAPA members / Agency  
\$179 for non-members

**DATE:** Thursday, October 25, 2018

**TIME:** 1:00 p.m. to 5:00 p.m.

**LOCATION:** Doubletree Hotel  
2001 Point West Way  
Sacramento, CA
